## REACHING VENICE AND THE VENUE

If you arrive by **PLANE** at **Venice Marco Polo** international airport, you need to reach “**Piazzale Roma**” square by TAXI or BUS. Taxi fares from the airport to Piazzale Roma are of indicatively 40 €. Bus fares from Airport to Piazzale Roma are of 6 € (one way) or 11 € (round trip). You'll find bus ticket machines inside the airport terminal.

BUS - INFO HERE (<http://www.atvo.it/en-venice-airport.html>)

TAXI - INFO HERE (<http://www.radiotaxivenezia.com/en/>)

From Piazzale Roma you can reach the venue of the meeting:

- **BY FOOT** through at 5' walk of 300 m. You just need to cross the „**Calatrava**” bridge. As soon as the bridge is crossed you'll find on **your left** the “**Palazzo Grandi Stazioni**” building which is the venue of the meeting. You'll be able to access the building in two different entrances (at the beginning and end of the building). The room of the venue at the second floor, “**Press conference**” Room.

If you reach Venice by **CAR**, the easy way is to arrive directly in **Piazzale Roma** square where there are several private parking buildings to leave the car that are quite expensive (20-30 €/day). The alternative could be to leave the car in front of the Mestre train station and to get the train to Venice city centre (see following suggestions). If you leave the car in Piazzale Roma, you can reach the

Venue:

- **BY FOOT** through at 5' walk of 300 m. You just need to cross the „**Calatrava**” bridge. As soon as the bridge is crossed you'll find on **your left** the “**Palazzo Grandi Stazioni**” building which is the venue of the meeting. You'll be able to access the building in two different entrances (at the beginning and end of the building). The room of the venue at the second floor, “**Press conference**” Room.

If you reach Venice by **TRAIN**, the train station „**Venezia Santa Lucia**” is situated inside Venice island. Therefore once you get off the train you'll be already in Venice city centre. From the square in front of the train station you can reach the Venue:

- **BY FOOT** through at 3' walk of 150 m. Once in the square in front of the **main train station Santa Lucia**, the main big building on your right is “**Palazzo Grandi Stazioni**” building which is the venue of the meeting. You'll find the nearest entrance at the beginning of the building. The room of the venue at the second floor, “**Press conference**” Room.
